

North Shore Center, LLC an established (25 years plus) multi-specialty behavioral health clinic is seeking a psychotherapist interested in seeing children, adolescents and adults. Our opening is available part-time with flexible hours available.

Duties:

- Provide screening, assessment and document bio-psycho-social intake for new clients.
- Engage patients in treatment
- Prepare initial treatment plans and 90 day reviews
- Conduct individual therapy
- Maintain a professional and confidential relationship with patients
- Maintain records that are in compliance with Wisconsin regulations

Requirements:

- Applicant must be licensed in the State of Wisconsin (LPC, LCSW, PsyD, Ph.D.)
- One to two years counseling experience
